Sylvia,

Today is your last chance to have your 2015 Bay-A-Thon gift doubled—and we are so close to meeting the \$80,000 matching gift challenge, so we wanted to send you one more reminder email about this great opportunity.

We really need your support today to make sure we keep the San Francisco Bay clean and healthy.

Will you make a tax-deductible contribution right now? Today is the last day we can offer the matching gift opportunity.

Your ongoing support today will help us keep toxic trash from flowing out of our streets and into San Francisco Bay. And you'll make sure Cargill stops trying to pave over our beautiful Bay.

Will you stand with us? Your gift will be automatically doubled, but only until midnight tonight.

Thank you for all that you do.

David Lewis
Executive Director, Save The Bay

P.S. Today's the last day to participate in the 2015 Bay-A-Thon. **Make your gift while you still have time.**
